

November 3, 2023

Dear Parent/Guardian,

I hope this letter finds you well. Our school year is underway at Oswego High School and I would like to take a moment to emphasize the crucial role that regular school attendance plays in your child's education and overall development.

At Oswego High School, we are committed to providing the best possible educational experience for our students. One fundamental aspect of this is ensuring that students attend school consistently and punctually. Regular attendance is not just a requirement; it is a critical factor in your child's success in school and their future endeavors.

Here are some key reasons why attendance matters:

Academic Success: Regular attendance is directly linked to academic achievement. When students attend school regularly, they have the opportunity to engage with teachers, participate in classroom activities, and stay up to date with the curriculum. Regular attendance helps them perform better in assessments and projects.

Skill Development:

Many essential life skills, such as time management, responsibility, and accountability, are developed through regular school attendance. These skills are valuable not only for academic success but also for future career prospects.

Social Interaction:

School provides a unique environment for students to build friendships and develop social skills. Regular attendance ensures that students can connect with their peers and engage in extracurricular activities, which contribute to their personal growth.

Establishing a Routine:

Consistent attendance helps students establish a daily routine, which can improve their overall well-being and make it easier to adapt to future educational and professional settings.

Principal: Mr. Chris Grays • **Assistant Principals:** Mr. Brian Cooney • Mrs. Carol Marszalek • Mrs. Andrea Parker • Mrs. Tania Sharp

We understand that there may be occasional circumstances that require students to miss school, such as illness or family emergencies. In such cases, please notify the school as soon as possible, and we will work with you to provide appropriate support and resources to help your child catch up on missed work.

We are here to support your child's educational journey and are dedicated to their success. By ensuring that your child attends school regularly and on time, you are helping them build a strong foundation for a bright future.

If you have any questions or concerns about attendance policies or need assistance in addressing attendance-related issues, please do not hesitate to reach out to our school staff. Together, we can create an environment where every student has the opportunity to thrive.

Thank you for your partnership in your child's education. Let us work together to make this academic year a successful and enriching one for your child.

Sincerely,

Chris Grays
